

APPLICATION FOR PROPERTY IDENTIFICATION CODE (PIC)

Each property has its own PIC. However, one PIC can be used for more than one property provided the properties have common ownership and are used for a common purpose (e.g. to graze the same livestock) and are proximate (adjoining or nearby). If you wish to apply for a PIC to cover more than one property, please complete a separate form with the property and owner details for each property and submit all forms together.

For more information on Property Identification Codes go to the Local Land Services website at www.lls.nsw.gov.au/livestock
